Media release

Basel, June 12, 2024 – **Mark Jacob, a seasoned hospitality professional and former Managing Director of Dolder Hotel AG, will take over as General Manager of the Grand Hotel Les Trois Rois in Basel on 1 September 2024.**

Mark Jacob (aged 49) is a proven leader with over two decades of experience in the luxury hospitality industry. He spent a great part of his career at Dolder Hotel AG in Zurich, where he served as Managing Director with overall responsibility for The Dolder Grand (5 stars), the Dolder Waldhaus (4 stars) and Dolder Sports from 2013 to 2020. His subsequent roles included Head of Brand Culture & Design at InterGlobe Enterprises, where he was responsible for the strategic repositioning of an international hotel portfolio.

Mark Jacob, who graduated from the Ecole Hôtelière de Lausanne, is delighted to be returning to a direct operational role in the hotel industry: "The Grand Hotel Les Trois Rois embodies the spirit of Basel, while simultaneously commanding a strong global presence. It expresses pure joie de vivre and radiates an aura of timeless elegance, all underpinned by an unwavering commitment to detail. These values resonate deeply with my own vision of an inclusive and welcoming hospitality experience. I am thrilled, alongside an exceptional team, to guide the Grand Hotel Les Trois Rois into a vibrant future."

The grand hotel model reimaged

Based on the motto "rich in history, young at heart", the Grand Hotel Les Trois Rois is pursuing various initiatives that interpret the grand hotel model in a future-oriented way. As part of the ongoing interior renovation of the hotel's annexe building by the renowned architects Herzog & de Meuron, spacious suites, an exclusive spa and a Salon du Cigare will be added to the luxury establishment. A versatile events area will bring an exciting new dimension to the hotel. From 2025, the main building will also undergo a gentle renovation. Sigrid Gassmann, owner of the interior design company House & Garden Hamburg, who was already responsible for the refurbishment of the Cheval Blanc restaurant, the lobby and the bar, will oversee this project. With these various measures, the Grand Hotel Les Trois Rois is seeking to further enhance its position among the leading five-star city hotels in Europe.

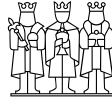

"We are convinced that Mark Jacob, who comes from a family of hoteliers, will prove to be an excellent and passionate host for the Grand Hotel Les Trois Rois. Chosen from a wide range of outstanding candidates, he is the right person to ensure that running projects are seamlessly coordinated with hotel operations and to lead our hotel forward into the next exciting phase,"
